

OBVIOUS ADVERTISING

No turning the page or flipping the channel

Obvious Advertising is a signature advertising and marketing resource, designed to capture your target audience and brand your company. We place full color 8.5 x 11 framed ads in prime locations and restrooms where a business, organization, or event is guaranteed to be seen. Your ad will have the staying power of that location for 30 days.

Ad Creation & Award Winning Design

New clients receive a full ad creation for \$95. Obvious Advertising is a full-service design and marketing resource, providing all design work for marketing collateral, websites, email marketing, branding and identity, postcards, brochures, street team postering, and ad buying.

Rotation

KEEP IT FRESH! Every month between the 1st and the 5th, Obvious Advertising rotates the advertiser's preferred locations to fresh targeted markets. Some advertisers choose to stay in a specific location because they have seen such great results.

Obvious Ads is GROWING!

Reach the Greater Yellowstone region - each month we gain 2 to 3 NEW locations in Bozeman, Belgrade, Livingston, Big Sky, Ennis, West Yellowstone, and Jackson Hole, WY.

Thanks for having *the best* marketing out there!
